

As part of our mission to meet today's spiritual and material needs and while preparing for our continued growth, the Archdiocese of Philadelphia's **Heritage of Faith/Vision of Hope** campaign is the most ambitious fundraising initiative of its kind in our history. This campaign supports the needs of both our parishes and the Archdiocese. The programs, services, facilities, and financial resources we make available will significantly influence the scope of our mission in the future. We have a unique opportunity to provide our parishioners and the communities we serve a greater and more meaningful way for many years to come. Cardinal Rigali and the Archdiocese have carefully considered several areas that are vital to its future and in need of support, including:

- Sustaining the parish as the center of our community of faith and providing an infusion of capital into our parishes for much needed repairs and renovations.
- Ensuring that financial resources are available for those who seek a Catholic education and that our Catholic schools have the ability to make needed repairs and renovations.
- Restoring and preserving the Cathedral Basilica of Saints Peter and Paul, the Mother Church of our Archdiocese.
- Providing endowment and support for St. Charles Borromeo Seminary, the heart of the Archdiocese.
- Ensuring the care and support of retired clergy.
- Continuing our commitment to helping those in need through our Catholic Human Services.

IN OUR PARISH, THIS CAMPAIGN HAS STARTED, AND CONTINUES THROUGH SEPTEMBER. PLEASE MAKE A GENEROUS PLEDGE WHEN CALLED UPON. 35% OF THE FUNDS RECEIVED STAY IN THE PARISH. OUR SHARE OF THE CAMPAIGN WILL BE USED FOR NEW LIGHTING IN THE CHURCH AND NEW BOILERS IN THE CONVENT AND CHURCH/SCHOOL COMPLEX.

**OUR PARISH GOAL IS \$685,000....
OUR SHARE WOULD BE \$239,000.**
